Congregational/Organizational Supporter Pledge

Our organization/congregation commits to being an Organizational Supporter of IRCRC. As an Organizational Supporter, we will help IRCRC by disseminating information and providing meeting space. Our congregation's name will be listed along with other organizational supporters on IRCRC publications, showing its commitment to social justice and its support of the goals of IRCRC. We will provide IRCRC with the name and address of a member who will be the primary contact for our congregation. Further, we understand that once we become an Organizational Supporter, our congregation has the option to nominate a member to the IRCRC Board of Directors. We understand that Organizational Supporter fees are voluntary and are left to our discretion.
